

Thief Opens Box of Cartridges, Gets Shock

(By Leased Wire to Evening Herald.)
New York, April 11.—Sleeping passengers on the steamship *Vanuatu* approaching New York early today were aroused by Sandy Hook by an explosion in the steerage. Fire followed the explosion but was quickly extinguished. Investigation showed that a Syrian, rifling the baggage of a fellow immigrant, had opened a box of cartridges and accidentally set them off. He was badly burned.

The *Vanuatu* came from South American ports and carried among other passengers, Colonel G. D. Hooper and several members of the Illinois Manufacturers' association, returning from a trip to South American cities.

Daring Daylight Holdup in the South

(By Leased Wire to Evening Herald.)
New Orleans, April 11.—A daylight holdup of passengers on Illinois Central train number 34, was attempted today near Tangipahoa, La. Two robbers, after shooting and wounding a negro porter by the name of Allen, escaped without obtaining any loot. Soon after the train left Tangipahoa the robbers entered a day coach filled with negroes and commanded the passengers to hold up their hands. One robber flourished a pistol and the other began to search the passengers. Allen attacked the man holding the gun and was shot through the body. It is reported he was dangerously wounded. As the negro fell one of the robbers pulled the bell cord and when the train slackened they jumped and fled through the underbrush. Number 34 is a local mail train. It left New Orleans early today and arrived at Tangipahoa at 9 o'clock. The sheriff of Tangipahoa parish has gone to the scene with a posse.

Louie Anderson, negro passenger, leaped in fright from the train, fell under the wheels and was killed.

IF KIDNEYS AND BLADDER BOTHER

Take Salts to Flush Kidneys and Neutralize Irritating Acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in avoiding it.

Bladder weakness, most folks call it because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Sals from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Sals is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Sals is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant aftertaste lithia-water drink, which quickly relieves bladder trouble.

NOTICE.

We the organized bodies of the building trade department of Albuquerque, wish to give to the business men of Albuquerque the names of the contractors who employ only organized labor.

Carpenters Contractors.
